- Grape variety:** Scheurebe (Sämling 88)
- Yield:** about 8.600 litres
- Vineyards:** The grapes grow in our vineyards in the wine region Neusiedlersee which is characterized by dry, gritty and mineral soils. The so called Seewinkel region (lakes district) gives in autumn due to its unique micro climate ideal conditions for the production of high end sweet wines.
- Alcohol:** 8.5 Vol. %
- Residual sugar:** 147.5 g/l
- Acidity:** 7.2 g/l
- Finishing:** Fermentation in stainless steel vats at 14°C to 16°C, finishing in stainless steel.
- Tasting notes:** Our Beerenauslese from Scheurebe shows deep golden color with yellow reflexes. In the nose it seduces with intensive aromas of stone fruit and exotic fruit backed up by floral hints. On the palate the wine shows incredibly deep fruit which ends backed-up by fine acidity in a long an creamy finish.
- Food recommendation:** Enjoy this wine as aperitif or with fruity desserts.
- Serve the wine at:** 8 – 10°C
- Best to drink from:** 2014 – 2030
