

ICEWINE 2010

Grape variety:	Grüner Veltliner
Yield:	about 2.150 litres, harvested on 5 December
Vineyards:	The grapes grow in our vineyards in the wine region Neusiedlersee which is characterized by dry, gritty and mineral soils. The so called Seewinkel region (lakes district) gives in autumn due to its unique micro climate ideal conditions for the production of high end sweet wines.
Alcohol:	9.0 Vol. %
Residual sugar:	192.7 g/l
Acidity:	8.2 g/l
Finishing:	Fermentation in stainless steel vats at 14°C to 16°C, finishing in stainless steel.
Tasting notes:	Our Icewine shows a golden colour with bright yellow reflexes. In the nose it is marked by deep aromas of quinces and apricots together with hints of tobacco and honey. On the palate our wine shows again some spicy fruit paired with fine acidity which ends in a long and creamy finish.
Food recommendation:	Enjoy this wine as aperitif or with fruity desserts.
Serve the wine at:	8 – 10°C
Best to drink from:	2013 – 2030
